LEATHERETTE COLLECTION

ELEVATE YOUR STYLE: CHOOSE ORGANIC, LUXURIOUS OR TIMELESS

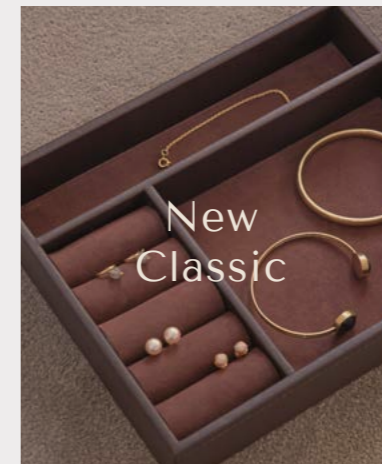

We introduce to you our luxurious leatherette collection.

Our aim is to be the 'finishing touch' of your hotel room.

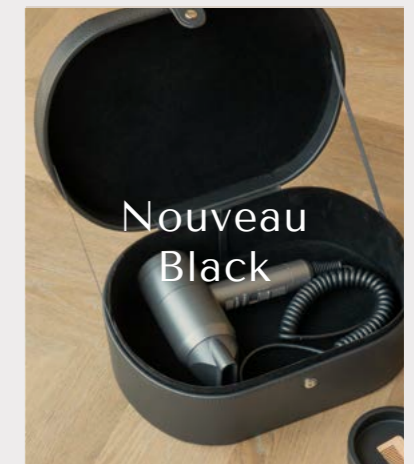

The collection comes initially in three colours: Natural, New Classic and Nouveau Black, which we have carefully selected in order to fit to many hotel room designs. On top of that we offer bespoke solutions, so you can create your own colour and design.

Natural

New Classic

Nouveau Black

The Natural collection is developed for the mindful and conscious leisure traveler. The use of natural light colours and the organic design make this collection fit well to beach resorts and boutique hotels.

PAGE 10 - 21

The New Classic collection is focused on the business guest with an authentic taste and eye for detail. The luxurious and classic design and the use of refined materials will make the established business traveler feel at home.

PAGE 22 - 33

With the Nouveau Black collection we add an essential colour to our leatherette line. A collection designed with luxury and functionality in mind. This timeless colour adds an elegant touch to every hotel room.
